MASTER PLAN Supalai Vista Phuket

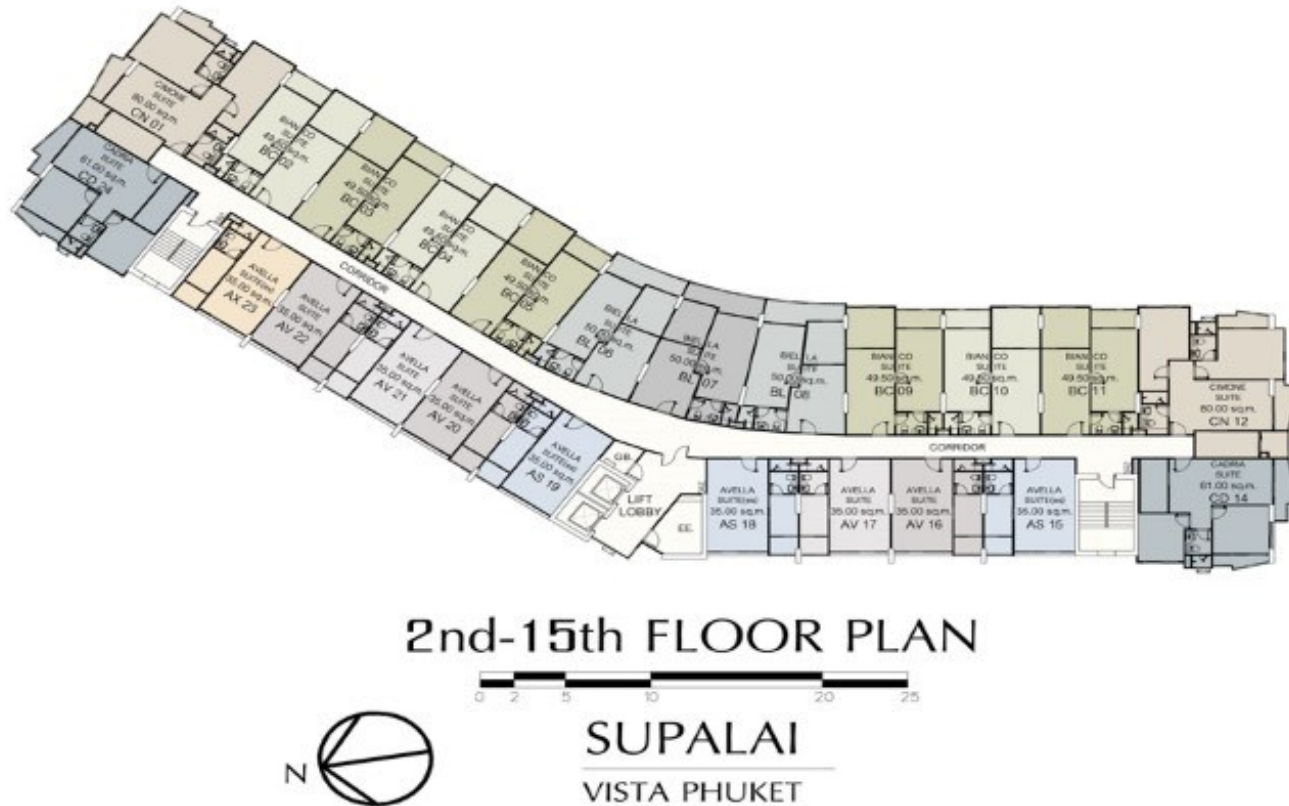

- High Rise Condo
- 15 floors
- 1 building

The residential floors begin on the 2nd floor and continue to the 15th. the central area will be located on both the 1st floor and the rooftop.

At the rooftop is a communal garden. Walk up the fire escape stairs from the 15th floor to access the communal rooftop garden.

Residents can relax and enjoy panoramic views of the sea, mountains and Phuket Town

Floor Plan Vista Phuket

Floor plans 2-15 are identical on all floors. They are all residential floors with 23 units per floor.

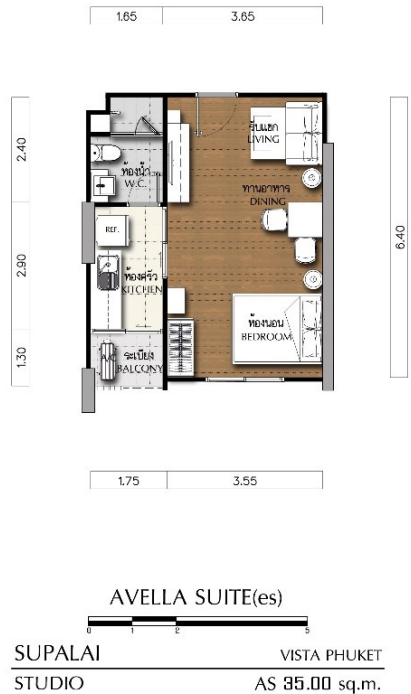

There are 9 studio units on the west side, and 10 1-bed units on the east side. The remaining 4 units contain 2 Bedroom, and are located in the corners of the building both on the north and south sides. The passenger elevator is located in the middle of the building with fire escape ladders located on both sides.

The bedroom is quite large and has an en suite bathroom which is separated from the shower with a tempered glass door.

Room plan : CADRIA SUITE

Units Type : 2 Bedrooms
61 sq m.

2 Bedrooms
1 Living room
1 Bathroom
1 Kitchen
2 balconys

A large living room is connected to the dining area. The kitchen is closed off with glass doors to prevent unwanted smells from coming in. The master bedroom comes with a spacious balcony. The sound bedroom is a decent size, and airy. The project places the bathroom between the two bedrooms for convenience, and is designed to separate the shower area from the rest of the bathroom with a tempered glass door. A large balcony is accessible from the living room.

Room plan : CIMONE SUITE

Units Type : 2 Bedrooms
80 sq m.

2 Bedrooms
1 Living room
2 Bathrooms
1 Kitchen
3 balconys

A large living room connects the dining area with the balcony, where you can sit and relax. There is a bathroom with separate wet and dry functions located in the living room. The kitchen is closed off with anti-odor glass doors and it's own balcony. The large master bedroom comes with a private balcony and an ensuite bathroom which is designed to be separate from shower room with tempered glass doors. The master bedroom also has a spacious, private balcony. The second bedroom is large and convenient.

[illegible]

and 1 km from Robinsons shopping center.
